7Pharmacy 7007: Capstone includes 20 graded assessments. These assessments are linked to a set of competencies necessary for success in experiential rotations. Students are required to pass at least 15 activities to achieve a passing grade in the course and be eligible to begin advanced practice experiential rotations.

8Data obtained from OSU College of Pharmacy Doctor of Pharmacy Placement Survey of the Class of 2014, conducted in April and May 2014. Of 131 OSU College of Pharmacy graduates, 93 returned completed surveys (71% response rate). Due to the nature of the survey, individuals were only required to answer the questions that applied to them, leading to a varying number of responses for each item.

9For the Doctor of Pharmacy 2014 Placement Survey post-graduation plans items, students were able to select multiple responses, resulting in an aggregate percentage of responses greater than 100%.
