

THE OHIO STATE UNIVERSITY
COLLEGE OF PHARMACY

Master of Science and Fellowship in Community Pharmacy Advancement

About the Program

Partner for Promotion aims to expand quality patient care services in community-based pharmacy practices. By empowering current and future pharmacists to create sustainable services, we advance the role of the pharmacist in the health care team, improve outcomes, and increase patient access to care.

Program Features

- 24-month program
- Combined fellowship with Master of Science
- Emphasis in community-based pharmacy practice advancement

The Ohio State University
College of Pharmacy
