## White Coat Ceremony

Photos from the 2016 White Coat Ceremony are now available. Headshots were sent to individual students last week. The group photos and candid shots can be found at <https://ohiostatepharmacy.smugmug.com/2016-White-Coat-Ceremony/n-Z8TKth/>. Photos can be downloaded for free through this site. Please email Julie Miller(.4325) with questions.

## Locker Use During Lab for P1s and P2s

At the suggestion of last year's class presidents, the lockers outside the 2nd floor lab will only be used by students during their lab time. When you have lab, you are welcome to use one of the second floor lockers marked "reserved." Please make sure to use a lock! The college is not responsible for lost or stolen items. At the end of class, please remove your lock and all contents so the next lab section can use those same lockers. If you have any questions, please contact Beth Stiles(.96).

## Parks Hall Lockers

There is a new system for Parks Hall locker use during the 2016-17 academic year. Instead of lockers being automatically assigned to each PharmD student, lockers are now available upon request. Please email Beth Stiles(.96) if you'd like a locker for this year.

## Mailboxes

Every PharmD student has a mailbox on the first floor by the restrooms. Please check your mailbox regularly through the academic year.
