Multistate Pharmacy Jurisprudence Examination$^®$
Passing Rates for 2023-2025 Graduates

Note that all numbers provided are for graduates who tested in the state in which their school is located unless otherwise stated.

Prepared by NABP
January 29, 2026

<div align="center">

Report Data Details

The data in this report were aggregated under the following conditions:

</div>

- All numbers provided are for graduates who tested in the state in which their school is located. Tests from other jurisdictions are NOT included

- Examinees were grouped by both the school they graduated from and the year they graduated

- Examinees who graduated before OR after the reported years were NOT included in the report

- Examinees who tested before OR after the reported years were NOT included in the report

- Examinees who did not receive a score on an exam attempt were NOT included in the report

- Only ACPE-accredited institutions are included in this report

- Students who participated in early MPJE® administration are presented in the data representing the calendar year of their graduation date (which may be different than the calendar year of their exam date)

Percentages in this report are rounded to the nearest tenth decimal place. These values are subject to change in the future as graduates within each year complete additional examinations.

Individual School Pass Rates

Table 1: School Examination Counts and Pass Rates by Graduation Year
